

SPONSORSHIP OPPORTUNITIES

About Us:

The Estate Planning Council of St. Louis promotes a multi-disciplinary “team” approach to estate planning and seeks to increase the knowledge and skills of its members in the field of estate planning. We do so by sponsoring the highest quality continuing education programs with speakers of national prominence in their field, and by offering our members opportunities to network with highly qualified attorneys, accountants, trust officers, financial advisors and other estate planning professionals with common interests in service to their clients. If your organization would like to be a sponsor for the upcoming program season, please review the opportunities below.
