

Dear Membership,

I am excited to highlight this Monday's event as the first in our "St. Louis Practicing Scholars" 3-part mini-series this season. We will welcome a panel of St. Louis' own, to present "Best Planning Ideas for 2023" consisting of John Scott (Anders), Michael Tessler (BUI), and Steve Gorin (Thompson Coburn), freshly back from Heckerling, with moderator, Kathleen Bilderback (Affinity Law Group). This is a valuable and timely presentation that you will not want to miss.

If you have not yet signed up for this meeting, there is still time to register to attend via Zoom. To register for this session, go to www.epcstlouis.org and click the link for the session.

I look forward to being with you all on Monday whether in person at the St. Louis Club in Clayton, or digitally!

All my best,
Robynn Ragland
